

# Our Wedding Release Packages

You may combine any of the packages to create your unforgettable event. If you have an idea you don't see listed let's talk about it and we will do everything we can to create an unforgettable dove release for you. Winged Wishes Sent Up Above will have a poem prepared about the symbolic meaning of releasing white doves at your event. We can either read the poem for you or have it ready for a special person to read out loud. We will also provide a special keep sake framed with your poem inside.

## **Dove Release Package 1 Classic Wedding Dove Release.....\$225**

Two white doves will be released at a prearranged time, such as on the church steps, or at an outdoor reception. A large beautiful heart shaped white wicker basket containing two pure white doves (or two small heart shaped white wicker baskets containing one dove each) will be handed to the Bride and Groom. They will release the two doves into the air as part of the ceremony. A hand held release can be arranged to provide a more involved release. The doves will be handed to you and after a photo opportunity, you will release the two doves into the air to symbolize two united in marriage flying off into the world together as a pair.

## **Dove Release Package 4 Memorable Wedding Dove Release .....\$350**

A total of 12 doves released. The Bride & Groom each release doves either by hand or from a heart shaped basket, seconds later, a basket of 10 white doves is opened by family members, bridal party or friends and they fly into the air and join the other two doves already circling overhead. This is an amazing sight to see and provides plenty of beautiful photo opportunities.

## **Dove Release Package 5 Wedding Extravaganza .....\$475**

By far our most intense dove release. The Bride and Groom will each release 1 dove, either by hand or from a basket. Then, the Bride's Parents and the Groom's Parents will release 1 dove each. After the initial 4 doves are released, each side of the wedding party will open a basket that contains 8 doves each. All 20 birds will then rejoin in mid-air, symbolizing the uniting of families and friends. The 20 doves will circle overhead for a spectacular show before flying off for home. This release provides several excellent photo opportunities at the Bride & Groom release, when the parents release, and finally when both wedding parties release.
